OUR BREWERY

Founded in 2015, High Park Brewery is an independent craft brewery proudly based in Toronto. We've always been committed to bringing people together over great beer while supporting the neighbourhoods we serve. In 2021, we joined forces with Lost Craft Brewery to create Toronto's first collaborative brewery, bringing two local brands together under one roof. Sustainability, inclusivity, and community remain at the heart of everything we do. Since day 1, our goal has been to expand craft beer to new audiences, our mission is to make world-class beer that is #CraftedForEveryone
